Experience

Senior Producer, Photographer

Word On Fire Catholic Ministries · Full-time

2016 - 2021 · 5 yrs 1 mo

Santa Barbara, California, United States

Recruited to join this niche media company to leverage programming background in an Assistant Content Director role. Rapidly advanced to Producer, then Senior Producer, serving as the key West Coast contact for the organization. Oversaw an Associate Producer and Production Manager. Held accountability for content development, talent relations, script development, end-to-end production worldwide, project budgets and crews (up to +50 people), photography, social media, and reporting.

- Leveraged founder's academic background to define a content strategy focused on premium programming. Reshaped the infrastructure and slate to attract new audiences across SVOD, AVOD, and home entertainment markets.
- Worked closely with directors and talent to deliver relevant and engaging content for diverse audiences. Developed breakthrough programming ideas, including series that incorporated cross-fit, poetry, and various authors.
- Creative voice behind the development and production of THE PIVOTAL PLAYERS—a 12-documentary series filmed on location worldwide (e.g., Spain, Italy, Dominican Republic). The series aired on PBS. Earned an Emmy nomination for Documentary – Historical (Southeast Region) for the FLANNERY O'CONNOR project which included animation.
- Developed branding and digital-first series that launched the Word on Fire Institute—a subscription-driven content service. Relunched the companion YouTube channel, gaining +40,000 subscribers in under 6 months.
- Served as the company's photographer, providing still shots for behind-the-scenes (BTS) and editorial content.

- Reported to the Board of Directors monthly on content strategy and production status.

The bottom section of the image shows a messaging interface. It features a header with a circular profile picture of a woman with blonde hair, the word "Messaging" in bold, and three icons: a vertical ellipsis (three dots), a share icon (a square with a diagonal arrow), and a reply icon (an upward-pointing chevron). Below the header is a large, empty white area, likely intended for messages or attachments.
